Dear Pastors and Friends,

It is exciting to see what God is doing. The month of July was a month of trials and blessings. From computer crashing, cars breaking down, and garage door breaking to added support and extra meetings, God has proven Himself wonderful to us. *“Many, O LORD my God, are thy wonderful works which thou hast done, and thy thoughts which are to us-ward”* (Psalm 40:5).

In July the Lord answered our prayers about meeting and having opportunity to speak with Tom Gilmer, who is the head of the Trinitarian Bible Society in Brazil. From that meeting we were able to better evaluate the situation of Christian resources in Brazil.

I was able to participate in the Pastor's College here at Temple Baptist Church in July. What a blessing it was to be refreshed in the Lord and challenged to be the man of God that He wants me to be.

Work on translation was stopped for a few weeks because my computer crashed. I lost about a month's worth of work, but thank the Lord the most important things were saved. The first thirteen week series of Sunday School lessons had just been sent out to be corrected.

Work on the website has progressed and by the end of August it should be in a slightly different format allowing much more versatility in the matter of languages. Spanish is now a part of our website also. Please continue to pray that the Lord will allow us to add more languages and more content in those languages. If you are interested in helping, we would love to have your testimony. You can find out more information by going to [ConhecendoDeus.com.br](http://ConhecendoDeus.com.br) or by e-mailing us at [tylers2brazil@faithforthefamily.com](mailto:tylers2brazil@faithforthefamily.com).

[BraziltotheUttermost.com](http://BraziltotheUttermost.com) is down for the time being due to some technical difficulties. Please pray that those issues will be resolved soon.

John and Julie Kokenzie are doing well. John and I have had many opportunities recently to encourage and help pastors. Please keep on praying and asking God to use us in His work.

Pressing on,  
Jeremy Tyler
