“If sinners will be damned, at least let them leap to hell over our bodies. And if they will perish, let them perish with our arms around their knees, imploring them to stay. If hell must be filled, at least let it be filled in the teeth of our exertions, and let not one go there unwarned and unprayed for.”

- C.H. Spurgeon -

Dear Praying Partners,

September 2009

*“Likewise, I say unto you, there is joy in the presence of the angels of God over one sinner that repenteth.”* Luke 15:10

What a wonderful month to serve the Lord! I must just give you a quick update and tell you again that Daniel, whom I mentioned had trusted Christ, is coming faithfully every Sunday evening to church. Praise the Lord! He and his wife have even brought visitors with them to church. We are praying that the Lord will give them understanding about church membership and growing in the Lord.

This month I must mention Anderson who is eighteen years old. If you have read our blog on [BraziltotheUttermost.com](http://BraziltotheUttermost.com) you should already know a little about him and his family. Anderson's mother, Neide, came by the church in Parque Bristol where we have been helping. She was desperate and looking for help. Her son was on drugs and would run away from home for weeks at a time. When he was home, she would lock him in to keep him from running out again.

A few weeks ago on a Sunday night she called and asked for a visit immediately. It was about 10pm when we arrived at her house. Her son was home and she wanted someone to talk to him. We tried, but he was more asleep than awake and could not make sense of what we were saying. After a long conversation with Neide, she trusted the Lord as her Savior! At a later date Bro. Johnson, a fellow missionary, returned and was able to lead Anderson to the Lord. Both Neide and Anderson have been in church the last two weeks and she just told me her home is completely different than it was not long ago. Anderson told me he went with his aunt this week to a mountain to pray. They spent a good part of the night there praying. Praise God for changed lives!

This month we have started training soul-winners in the church. Every Saturday morning we have been taking people out into the streets and from door to door witnessing. Please pray that the Lord would raise up soul-winners in this church. There are several people that are ready to start witnessing, but need someone there to lean on and help them.

We thank you with all our hearts for your prayers and support. Souls are being saved and people are coming to Christ. Please keep praying for us.

*Jeremy Tyler*
