## Following Paul's Missionary Pattern (Acts 14:21-23)

1. Evangelizing the Lost
2. Establishing Churches
3. Edifying the Believers
4. Entrusting Them to the Lord

Dear Pastors, Churches, and Friends,

March 2010

I am taking advantage of this letter to let you know about a few very important events coming up in our ministry. The Lord has opened several doors and we are praying about His will in each of them. It is exciting for me to tell you about the wonderful things the Lord is doing.

We are taking a special trip this week to talk to another missionary about the literature ministry that the Lord has put on our hearts. He is already involved in printing and publishing. Please pray about this meeting. The missionary wants us to partner with him in carrying on and expanding this ministry. We will give more details on this as we can.

One of the other great opportunities that the Lord has opened up is a trip to the Amazon. In August I will be travelling deep into the jungle for two weeks. Three medical doctors will be going with us. I will go in as a translator and others will be going in as medical assistants to those doctors.

This is a very unique opportunity, and much prayer is necessary. While there, we would like to visit an isolated tribe of Indians in the area. The trip by motor boat though very costly would only take six hours. The trip by canoe would take three days.

Please help us pray that the Lord would miraculously open the doors for us to get into this tribe. What a privilege it would be to be one of the first people to reach this tribe with medical help and the good news of salvation we carry with it.

The primary goal of this trip is to help pioneer this ground, in assistance to the national missionaries in the area, who will follow up establishing a church amongst the natives. This method has been used in other areas and churches have been established.

How can you pray? Pray for open doors... Pray for safety... Pray for souls to be saved... Pray for wisdom... Pray for the necessary supplies to be obtained... Pray for God to work through us in a mighty way... Pray for the missionaries we will be helping.

Prayer is vital! The doors may not be open for long. We must press on with an urgency. The Gospel must reach them before it is too late! Just imagine it were you in the middle of the jungle, with no Bible, no witness, and no salvation. This constantly reminds me to thank the Lord for allowing me to hear the Gospel.
