Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

April-June 2020

Greetings from quarantine in South America! Here are a few things for you to know as you pray for us.

HEALTH and QUARANTINE

I can only praise the Lord for all He has done in my life physically over the past eight months. I am daily getting stronger as I run and exercise. My hand is still a little restricted, but I can use it for most everything.

Here in Vilhena, we continue in quarantine for an indefinite amount of time. There are over 100 active cases in town at the moment. We are unable to hold services in our building due to city restrictions. The city has limited the number of people per square feet of building. In our present building we would be allowed to have five people if we did not have children under 12 and anyone over 60. Holding online services we are able to reach more people at the moment.

OUTREACH

We have been broadcasting through Facebook Live and boosting Gospel related materials. This past week we had over 16,000 people see, read, comment, or share a clear presentation of the Gospel. Several people messaged me asking for prayer. One young lady wrote me asking for help. She said she was not sure about her faith. I had the opportunity to give her several Bible verses as we communicated back and forth.

We asked our church people to come by the property on Saturday this past week to leave an offering for our missionaries and to pick up a bag of groceries. Those that did not need the groceries were encouraged to give to someone in need.

PRAYER

There are several things we would like for you to pray about.

1. Pray the Lord will give me wisdom. Wisdom to lead, feed, and counsel our people.
2. Pray for spiritual growth in the midst of a chaotic world. God is able!
3. Pray God would supply every need for our church as we prepare to meet again. We do not have the equipment to broadcast live from the church. Currently, we are waiting for the mayor to give us permission to meet. After that, we will need to decide how to proceed.
4. Pray we stay healthy and that we would stay encouraged in the Lord. We already live in an isolated part of the world and it is not hard to find reasons to be discouraged.
5. Pray that the Lord would open doors for us to get the boys' school books for this year. Because this is Josiah's senior year, we would like to finish early and take a furlough early next summer before he goes to college.

We are very thankful for your continued prayers and support. God is still working! Lives are being changed from death unto life and many are being changed into the image of Christ. Your prayers have a great part in the work of the Holy Spirit in the lives of those we meet. Please keep praying, and may the Lord bless you in a great way and reward you for your investment in eternity.
