Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

May 2021

We have made it back to the US! Though the trip was a bit longer than usual, we were able to make it back safely without any incidents. Thank you for your prayers. The Lord has been very good to us and allowed us to get some needed rest also.

If you need to contact me by phone while we are on furlough, I have a new number that is more accessible than the number listed in the contact info at the bottom of the page. My temporary cell number is 618-508-3352.

We spent the first two weeks of May in the states of Montana, Idaho, and Washington. It was such a blessing to be in the churches out there. After three challenging years on the field, we have been refreshed by the fellowship and preaching in meetings we have been in up to this point and we are looking forward to the remainder of our time back in the US.

During our trip out to the northwest, we had the opportunity to see many beautiful places. Our hiking skills were tested. Due to restrictions during the past year, we have not been getting much exercise, but this trip was great exercise. Our Creator made such a beautiful world for us to explore. What a blessing it is to see his handywork as we climbed mountains, crossed rivers, flew across the country, and descended into a mine 100 feet below the surface. There are a few pictures on our website if you would like to see a few of the places we visited.

We have tried to maintain contact with many of our friends in Brazil. Most of them use WhatsApp and we are able to quickly and easily message back and forth. We have seen God answer prayers for several of our friends who have been very ill with COVID. Things are still pretty rough down in Brazil and especially in our state of Rondônia.

As I close, I would like to ask you to pray for my father, Garry Tyler. He has recently been having a few health problems. My parents are on furlough in the US at the moment.

Thank you again for all of your prayers and support. We are looking forward to seeing many of you in the next few months.
