Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

February 2022

January quickly passed and this year is already well on its way. What will the Lord accomplish this year here in Cacoal? We have goals and are working hard to accomplish them. Yet, the spiritual goals can only be accomplished by the Holy Spirit. Though we want to be used of Him, we cannot make people believe and we cannot make them spiritually mature. We simply provide them the opportunity and seek to be instruments in the hands of God.

He is building His church and it is a spiritual work! Therefore, it requires prayer... lots of prayer. Would you help us pray for spiritual fruit in the lives of those here in the city of Cacoal? Ephesians 2 gives us a hint of how to pray...

- Pray that men, women, and children would be reconciled unto God
- Pray the church would be founded on the Chief Cornerstone
- Pray that the church would be fitly framed together (each one exercising their spiritual gifts)
- Pray we would grow spiritually and become a holy temple in the Lord

I also need your prayers for wisdom as I lead the church. There are many who would like to take advantage of a young growing church. Satan would be happy for any of us to fall into sin. We must be watchful and guard our hearts.

Just about every week we have had visitors in our services. There is a good spirit among the people and eagerness to learn. We have been emphasizing our need to evangelize our city, the surrounding regions, and even the uttermost parts of the earth. Having a missionary with us for a few days has helped us emphasize the Great Commission given to us by the Lord Jesus Christ.

Just over a week ago one of the families in our church went through a very hard time. There was a death in the family, but as they were preparing to go to the funeral, their daughter (24) had an accident and was taken to the hospital. She messed up her knees and is not able to walk until she has surgery. The Lord used this situation to bring our church a bit closer together as a family. It has been a blessing to see the church family reaching out to them.

Our city also experienced flash flooding this week (pictures on our website) and hundreds of people evacuated their homes. Many of those homes had six to ten feet of water in them. Others in the rural areas were isolated as bridges washed out. Our hearts yearn to do more for our community. We are working to mobilize our church to reach this city. Our first organized evangelism efforts will be on the 12th of March. Please pray!
