## Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

May 2022

There are many things to share about what God is doing here in Cacoal. We need your continued prayers as we press on for the Lord. I want to encourage you to keep praying. It is working! I just found out that God is answering some of your prayers related to the Enawenê Nawê Indian tribe mentioned in our prayer letters in early 2017. I challenge you once again to always pray and to labor fervently in prayer as Epaphras did for the Colossians (Col. 4:12). Here are some specific events that need to be bathed in prayer...

### June 26 – Church Organization

We are still in the ground-laying stages of the church. This meeting is essential as we prepare the church for the future. It is one of the first steps for the church to thrive in years to come without our assistance as missionaries. Though there is still much work to do, our goal is for the church to eventually be able to continue without us.

### July 1-12 – Christ-Honoring Music Seminar

My family and I will travel to another state to help teach a group of delegates from several churches about Christ-honoring music. Amanda and the boys will play in the orchestra while I lead the choir, teach and preach. As we travel, the church people will also be taking on responsibilities to keep things moving here in Cacoal.

### July 14-18 – Vacation Bible School in an Indian Tribe

This is a mission trip! The two main goals of this trip are to get the church people personally involved in mission work and to encourage missionaries that have dedicated their lives to reach the Indians in our region of Brazil.

### August 3 – Mid-Week Services Begin

Starting a service during the week will provide another opportunity to edify the body of Christ, exhort one another, and reach more people with the Gospel. Though some still need milk, others are hungry for the meat of the Word and having an additional meeting time will help us better feed the flock of God.

### September 17 – Regional Teen Bible Quizzing

We will host a meeting with eight churches where the young people will be questioned about specific passages in the Bible. There are few events of this nature for young people here in our region. We hope this will grow in years to come. At the moment, we are expecting 40-60 young people.

Each one of these dates will be a building block for our church. Your prayers are essential. Without the Spirit of God working in hearts, these are nothing more than dates on a calendar.

The church is growing little by little. Visitors are becoming regular attendees. People are asking about membership and how they can serve the Lord. God is at work, and we give Him all the glory for the spiritual growth that we see.
