## Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

June-July 2022

It is such a blessing to be a part of what God is doing in the world. Thank you for praying for us and the work God has entrusted to us here in Brazil. Your support and prayers open many doors for people to hear the Gospel message!

Since the beginning of June things have been very busy around here. I will add some pictures to our website that may help you visualize the main events, but here is a summary in writing:

**JUNE** – On the 26<sup>th</sup> of the month, we were able to hold our first business meeting and accomplish the needed tasks for registering the church. It was such a special time because everyone who wanted to become an official member of the church needed to give their testimony of salvation publicly. It is such a blessing to hear how God is working.

During the last several weeks of June, we had the privilege of having a missionary to Israel with us. He was a great blessing to our church people, and we hope his influence will increase their burden to fulfil the Great Commission.

**JULY** – On the 1<sup>st</sup> of July, we began a trip of about 12 days to the state of Acre. We were asked to help in a week-long music training session. I preached each night and directed the choir while Amanda and the boys accompanied the choir with a small group of instrumentalists. On the 9<sup>th</sup>, the choir sang on the steps of the Governor's Palace in the capital. We had approximately 80 voices in the choir. We presented Handel's Hallelujah Chorus along with about eight well-known hymns. Along with the singing I preached a salvation message to all that were gathered.

While on the trip, we visited Pastor William and his wife Silvia. They were a big influence on me during my teenage years. It was a blessing to spend a few days with them and preach in their church also. We took our instruments along and played a few hymn arrangements in their church also.

In the last letter, I mentioned we had plans of visiting an Indian tribe with the intention of helping with a vacation Bible school. Due to sickness, we decided to cancel the trip, but were excited to hear the report that nine children were saved. Please pray for Gabriel and Eliane who are Indian missionaries trying to reach these children for Christ.

Throughout July we were able to encourage and help some of the churches in nearby cities. We attended special services and provided food, lodging, and transportation for their visitors. My dad (Garry Tyler) helped fill the pulpit in one church and we were able to fellowship with some of the national missionaries and laborers in our area. In turn, we received a blessing as a group on a mission trip helped us distribute tracts around town.

Though the devil has been attacking and we know he is targeting our people, we are excited to see God's hand in action around us. He sent us a single young lady from another church. She travels about 45 minutes to our services every weekend. Her efforts to be present have encouraged our church. Flávio and Engrid are another couple that has visited. They need to put their faith in the Lord Jesus, so we ask that you help us pray for their salvation.
