

The Tyler Family

Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

April - June 2024

We thank the Lord for each of you. Your prayers and support are essential to the work of the Lord here in Cacoal. It is always a blessing to think about how many of you have supported us now for over 15 years. Your faithfulness is a testimony to the character of our great God!

Life has been busy over the past few months. We just returned from a weeklong trip down to the state of São Paulo. We were able to see many friends and meet new people. It is always encouraging to see churches moving forward for Christ amidst so many changes in this world.

My parents, Garry and Pam Tyler just arrived in the US for a short furlough. Please pray for them as they visit family and friends. In their absence, things are a bit busier for us. We have shuffled responsibilities around so that everything is covered. Judson, who is one of our pianists, will be the only deaf interpreter for a few months. I will be leading all the singing and Amanda will be playing the piano for most everything. We are trying to get others involved, but our people are not outgoing in ministry, though we are trying to train and equip them. Please pray for laborers and pray that God would touch their hearts and give them a burden to serve.

Though some people have stopped coming, the church slowly continues to grow. A good number of visitors have attended our services. Several people have recently made professions of faith. After going from house to house in a lower-class neighborhood, several people have started coming to church. Most of them depend on a ride because they do not have their own transportation.

We continue to look for a new building, but the Lord has not given us peace about any particular place that is available. We wait patiently for the Lord to show us the right location. We still have space for the services though our classrooms are small.

In July we will have a three-day conference from the 12th to the 14th to celebrate five years since the church held its first service. We want to use this opportunity to reach out to unsaved people in our town. The Gospel will be preached in every service. Please help us pray that our people will get involved and that many visitors will be present in the services. Also pray with us that souls would be saved during the conference.

The number of available resources in Portuguese such as books, study Bibles, Bible apps, preaching videos, and YouTube courses on theology have multiplied drastically over the past five years. Most of it just adds to the religious confusion in the Brazilian culture. Theological controversies are everywhere. However, sound doctrine and Bible preaching are essential for God's people. The truth of God stands strong amidst the raging storms of false doctrine! Our church needs your prayers.

Our family also needs your prayers! Please pray for Josiah and Jonathan as they continue in their college studies and pray for Judson who has just started 12th grade. Pray that God will give us wisdom also as we seek to give them counsel and direction to follow God's will.

Reaching the World through Brazil,

A handwritten signature in black ink that reads "Jeremy Tyler".

"But speak thou the things which become sound doctrine."

Titus 2:1
