

The Tyler Family

Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

April – June 2025

As our furlough quickly progresses, we have been encouraged by the fellowship with other believers. Thank you for loving us, praying for us, and supporting God's work in Rondônia Brazil!

We had a wonderful time with all of Amanda's family on Easter weekend. It was nice to meet her newborn great nephew and spend some time with her siblings and parents. We also were able to visit my sister in Cincinnati before heading south for graduations.

Josiah graduated from Pensacola Christian College on the 9th of May. We are proud of him and excited about what God has in store for his future. It was wonderful to see how God has used him to influence his fellow students through leadership roles as well as excel in his class work.

By the 16th of May we were in Tennessee for Judson's high school graduation at our home church. We are blessed by the children the Lord has given us. It was exciting to see him conclude this part of his studies. He was able to get his driver's license shortly after our arrival. We were also able to take care of a few other documents and get him needed items so that he would be prepared for summer work and college in the fall.

We also were able to spend some time at our home church in Powell, Tennessee. As many of you know, we now have a new pastor. Pastor Derrick Morlan was encouraging to us and we were blessed to be able to spend some time with him and his family. I was also given the opportunity to preach and share with the church a bit about our ministry in Brazil.

We drove to Florida and then on to Texas and were blessed by being in the Northside Baptist Church in Burnet. From there we drove to southern California where we have been visiting several churches as well as spending some time with family. God has blessed us with some good supporting churches in California and it has been wonderful to see many of them again. We will soon continue our journey up to Washington and Idaho.

Please continue to pray for the church in Cacoal as my father, Garry Tyler is caring for it in our absence. The church has saved enough money to buy some property and we are looking at making a purchase in the near future. Though it may be a while before we are able to build, we want to go ahead and invest the money we have saved. The people are excited about the future of the church.

Please continue to pray for the native Indian missionaries we are working with. The Suruí and Zoró tribes will both be holding a Vacation Bible School in July. This is geared toward children, but many teens and adults also participate. Each year a number of children trust Christ as their Savior. May the Lord do a wonderful work this year also!

Reaching the World through Brazil,

"Behold, how good and how pleasant it is for brethren to dwell together in unity!" – Psalm 133:1
