Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

January - February 2026

We want to share with you a few of the things the Lord has done and is doing here in Cacoal. We also have a few prayer requests to share. Things don't always go as we plan them. Sometimes the Lord intervenes and sometimes Satan gets in our way. Yet there is one thing of which we can be sure. Even if we don't believe, the Lord is faithful! He cannot deny himself. Faithfulness is an essential part of who God is. God's faithfulness does not depend on us.

I say this because, as missionaries, we are not always able to do what we would like to do for the Lord. We can find good things to write about, but there are always setbacks. As we traveled in the US, we talked about the Indian tribes and the open doors. I have tried for several months to set up a time to teach pastors in the nearest tribe. They have not yet responded to work out a time. We continue in contact, but we cannot force our way in.

The Lord is very aware of the situation. We have prayed and you have prayed, but everything is made beautiful in HIS time. We have not been sitting around twiddling our thumbs. We have made significant progress in other areas. The church has been blessed with many visitors. We are moving forward on the construction, and the Lord has been blessing with increased attendance, salvations, baptisms and new church members.

After a bit of searching, we found an architect that has experience designing for churches. She has agreed to design our church for just under \$2000. This is a huge blessing considering the last quote was around \$9500. This is an answer to prayer. Keep praying! We will be working to develop the general layout and use of the land during March. Lord willing, we will be able to start getting actual estimates on the cost of this first phase of building in April. Here is the basic plan we have...

Phase 1

- A wall around the property
- A covered ball court for activities
- Simple bathrooms

Phase 2

- Auditorium
- A few classrooms
- Storage rooms

Phase 3

- More Sunday School rooms
- Kitchen

Our oldest son Josiah will be getting married in June. We are excited for him and Jaina as they seek the Lord's will in their lives. We are planning to be back in the US for a few weeks in June to take part in wedding activities. This will give us an opportunity to see Jonathan and Judson as well as other family.

Pray that the Lord will give us wisdom in working out this trip. My parents, Garry and Pam Tyler, will also be going with us. They are our co-workers and helpers in the ministry. Last year we were able to travel because they stayed here in Cacoal. This year it will be a bit more difficult to get someone to substitute, but we are confident the Lord will faithfully care for His church. Please pray with us about this matter.

We are thankful for your financial support, Christmas gifts, emails, texts, calls and especially for lifting us up before the Lord! Your faithfulness is a constant reminder of our God and His faithfulness. What a wonderful God we serve!
