Reaching the World Through Brazil... Acts 1:8

Dear Prayer Partners,

August - October 2026

"Lift up your eyes!" This is what the Lord has directed us to do. So many times, we keep our nose to the grindstone and do not take the time to lift up our eyes. We must look on the fields. When was the last time you just looked around and took in the sights of people all across our world that need the Lord Jesus?

We are preparing for our mission conference on October 30th to November 1st. Please pray for this event! The Lord is already working all around us and in the lives of the people in His church. Our plan is to emphasize foreign missions. We pray for and support multiple missionaries to specific groups in Brazil as well as one or two that have gone to a foreign field. However, there are not many missionaries that leave Brazil and go to foreign countries. Lord willing, we will be able to highlight some distant countries and talk about how we can help reach them with the Gospel.

As we work on lifting up our eyes, the Lord is also blessing right here in Cacoal. We have had several professions of faith recently, including our first deaf convert. Lucas, a pastor of a deaf church, spent a week with us recently. He was able to communicate well with the deaf and help us encourage them to take the next step in their lives. With his help, we were able to identify a few of the deaf that need to be saved as well as some that we believe are saved and need to be baptized. Recently we have had 5 new deaf visitors.

Due to a lack of churches and preachers in Rondônia, we often assist other churches when their pastors are traveling. This month I preached in both the churches in Vilhena and Ouro Preto. In January we will be helping the church in São Felipe so that their pastor can travel to India for a few months. Each of these churches is important to us. We helped start the first two and the third one we assisted on a monthly basis when they started.

We have made quite a bit of progress with our building plans, but we are still waiting to get estimates on the actual cost of building. Soon I will give more details. We have received a few preliminary 3D renderings and the final architectural project should be done in a few weeks. Please pray that the Lord will supply every need for this building project. We are entering the rainy season and it is not likely that we will be doing much work until around April when the rains subside a bit.

Our deaf ministry needs your prayers! My parents, Garry and Pam Tyler, will be traveling to the US for about 5 months. Since my mother is our only interpreter, we will be bringing in a few people from other places to help while they are traveling. Of course, there are difficulties with this since Rondônia is out of the way and flights are not cheap or convenient many times. We are praying that the Lord will send us more laborers for the deaf ministry.

We are grateful for your prayers and support. So many of you have been faithfully supporting and praying for us in the ministry for nearly two decades. It is such a blessing to know we have wonderful churches behind us. May God continue to bless you as you fulfill the Great Commission from where you are. We are praying that, in His timing, the Lord will allow us to send missionaries from Brazil to other parts of the world.

Reaching the World through Brazil,

"...Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest."

- John 4:35 -
